

Thinking About Core Words for a Lesson/Activity  
(Adapted from Gail Van Tatenhove, 2007)

*5 Steps:*

1. Select your activity, lesson plan in which you will integrate the core words. Make sure to include your instructional materials.
2. Select your core words that you will focus on.
3. Review where the core word(s) are on the core board/device.
4. Write your script: “do and say this”
5. Evaluate the activity: how did it go?

**Select your activity/instructional task and materials:**
